PORTICO : 3sqm

ALFRESCO : 11sqm

TOTAL AREA: 220sqm

Embodying the less is more mantra, this home is packed full of features in a smaller design. With the Master Suite and Retreat upstairs you can relax in peace whilst life is busy happening downstairs. Two double sized bedrooms, a Theatre and large open plan living/dining means you won't have to compromise on features to suit a thinner block.

Better for Less.
